

Important Information for Key Workers - Hot School Meals and Extended Schools Provision

Dear Parent/Carer

Important Information from Local Food Links

Tomorrow, Friday 8th January and week commencing 11th January your child will be provided with a hot school meal. If you have a vegetarian or jacket potato option please contact Lindsay in the school office by 2pm tomorrow.

We are now in the process of reopening our online ordering system to all parents/carers who have children currently attending school. You will be able to order online in the usual way from tomorrow (Friday 8th Jan) by visiting <https://my.localfoodlinks.org.uk/>. We feel this is the best way for us to collect orders safely and make sure that pupils with allergies will be highlighted again.

The system will be live again from Monday 18th January and the usual 7 day's notice rule will apply for ordering. Meals for Monday 18th January will need to be ordered **by no later than Monday 11th January**.

If you had already ordered meals for you child/children online then these would have been cancelled and you will have to re-order meals – those who pay for meals should find credits on their accounts which can be used.

We look forward to receiving your orders!

Very kind regards

Local Food Links

Important Information regarding Breakfast and Afterschool Club

As you know, we have been able to offer a reduced extended schools service for our key workers:

Breakfast Club: From 8am

Afterschool Club: Until 5.00pm

As you can appreciate we are only able to offer a limited number of children to attend to provide a safe environment. Therefore, if you need your child to attend breakfast and/or afterschool club please speak to Julie in the school office to discuss your place if needed.

Kind regards

Ben Barker

Headteacher
